

Commercial Dishwashers

Drying Tunnel DE/DS series

Characteristics and Advantages:

- ✧ AISI304 stainless steel
- ✧ Tableware completely surrounded by forced circulation of high-speed hot air, promote rapid drying
- ✧ With 9KW efficient heater and 0.55KW fans
- ✧ Electricity and steam heating options

Commercial Dishwashers

Technical Data:

Name/Model	DE	DS
Heating	Electricity	Steam
Appearance dimension(mm)	900×713×2160	900×713×2160
Maximum height of drying(mm)	450	450
Drying heater(KW)	9	-
Total steam consumption(Kg/h)	-	15
Fan power(KW)	0.55	0.55
Volume of hot air circulation(m ³ /h)	2900	2900
Total connected load(KW)	10	0.55
